New beginnings are very important: that's the reason Christ came to earth. He came to offer each one of us a new beginning (2 Corinthians 5:17)! The men who enter our residential Life Recovery

Home are also looking for a new beginning, a change from their old ways. They are looking for a new life. They are running from a past life of sin, self abuse, and destruction. We offer them the change that they are looking for, a new beginning in Christ! As we begin 2017, our prayer is that we can continue to proclaim the good news of the gospel to those who are seeking a fresh start, a new beginning. Will you join us?

## Growing Together

**D**iscipleship is a great thing! As we invest in the lives of others, we grow closer to God and closer to each other. What a privilege to study God's Word with these men! Scripture tells us in Romans 12:2 that we can be transformed by the renewing of our minds. This key truth guides our time together. As we grow, there are many obstacles that we have to face, but we are facing them together, with Scripture as our guide. Please pray for the men in our program as they continue to walk forward together with God by their side. Pray for those who are still struggling, that they will find the peace that only Christ offers, and continue to pray for our ministry as we grow and expand, that the resources will continue to meet the demand.

*The Lighthouse exists to serve men who struggle with a life-altering addiction. By showing the love and compassion of Christ, we strive to minister to all within our reach with the transforming message of the Gospel.*
