Issue #15

HELP US, HELP THEM

An addict since childhood, Beth has faced some pretty unimaginable trials and circumstances. Recently married and sober for less than a year, Beth realized that she needed help. She reached out to The Lighthouse and asked for help. Her marriage was beginning to fall apart, the bills were falling behind, and she had thoughts of relapse. We began by meeting with Beth and her husband, offering marital counseling. In addition, we were able to offer clothing vouchers to our thrift store, Life Skills training, accountability through drug testing, one-on-one mentoring, and biblical counseling. Beth continues to face challenges; however, she now faces these challenges from a new perspective! “Life is still hard, but God

is faithful.” Because of your faithful support, The Lighthouse can continue to reach out and minister to the needs of those in our community like Beth. Please remember those we serve this Thanksgiving season. Help us, help them.

Brandon Bower

The Lighthouse Family Thrift Store is now open! We are grateful for those who assisted with various volunteer opportunities. We could not do this without your help and support! The Family Thrift Store is now able to provide clothing vouchers, jobs for those we serve, and continued volunteer opportunities. Please think of us when you have items to donate. The Family Thrift Store is just another way for us to raise funds for our Transitional Living Facilities.

SPONSORSHIP OPPORTUNITIES

LifeSkills
An Outreach of The Lighthouse

HELP US,
HELP THEM!

SPONSOR A GROUP
\$50

SPONSOR A MONTH
\$200

The Lighthouse has the privilege of holding a weekly Life Skills group every Tuesday night at the downtown Burger King on E. Jefferson. Each Tuesday night we feature a message that teaches and equips each of us how to handle life's challenges from a biblical perspective, gaining life skills that will help us in our everyday interaction with God and one another. In addition free drinks and cheeseburgers are provided for all who attend. We truly appreciate the love, prayers and support we receive from each of you. If you would like to sponsor a night or a month of our Life Skills group, your gift will continue to offer hope to those we serve. Thank you for helping us, help them!

Exciting opportunities arise as God continues to direct our steps. This December, The Lighthouse has been invited to South Africa to partner with Restore Ministries. Restore faces life threatening challenges as they serve those in their community who are engulfed in the drug epidemic of South Africa. A team from The Lighthouse will travel to South Africa with the goal of coming along side and offering hope, training, and education to those who are struggling and to the leaders who are ministering to them. Pray for us as we go and share God's love and truth! Pray for those in South Africa, those fighting the fight, and those who are lost and need the hope that only Christ can give.
