

## Intern Job Description – Marketing and Fundraising

The Lighthouse is seeking a marketing and fundraising intern to assist in our gospel work in Fort Wayne, IN. The Lighthouse's work focuses on the five directives from Matthew 25: feed the hungry, care for the sick, visit those in prison, take in the stranger, and provide clothing for the naked. We do this through our Food Bank and feeding programs, our residential biblical addiction care ministry, our jail outreach and letter writing campaign, our biblical counseling, and our Family Thrift Store clothing vouchers. As an intern at The Lighthouse, you will experience life-transforming gospel work, engage in high impact projects, and live out your faith on a daily basis.

The Lighthouse marketing and fundraising intern will assist with many different aspects of our work. Duties include but are not limited to assisting our marketing team to expand our visibility in the community, managing our social media impact, helping with grant writing and reporting, exploring new revenue streams, learning and assisting with our Family Thrift Stores (our largest source of income), and helping with tours.

The right candidate will have a heart for ministry, agree with and live out our Statement of Faith, have a flexible schedule, have a sensitivity for the lost and broken individuals in our community, be willing to work independently or as part of a team, and show initiative. While this is an unpaid internship, housing may be provided for the right individual, access to The Lighthouse biblical counselors is available, food assistance is available, and clothing vouchers through our Family Thrift Store will be provided as needed.
