## Speakers Include:

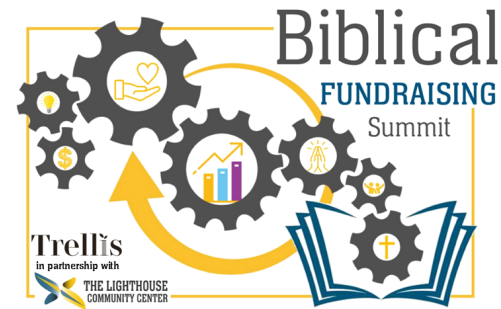

**Kevin Trotter—Founder of Trellis Group LLC**

Kevin is a highly experienced professional with over 25 years of work experience. He has a diverse skill set that includes public speaking, non-profits, management, government, leadership, enforcement, and emergency management. Kevin has held various leadership positions in reputable organizations such as Josiah White's and Bethany Christian Services. In 2023, Kevin founded Trellis Group. Like a fruitful vine is supported by a trellis, fruitful organizations are supported by a healthy organizational trellis. The trellis should never be visible, yet, if the trellis is weak or missing, the vine fruit of ministry lacks sustainability. Kevin is passionate about helping Christian non-profit ministries become the model for effective, efficient, and abundantly fruitful organizations that plan strategically and execute effectively, to the glory of God. Kevin specializes in non-profit consulting, strategic planning, leadership development, and executive coaching.

**Dr. Brandon Bower—Founder & Director of The Lighthouse**

Brandon is a passion driven visionary with a heart to see the lost and hurting come to know the healing power of Jesus Christ through salvation. He has pursued a mission to seek out the hurting and broken and share the hope of Christ with them. Pursuing his education, Brandon has received his Masters in Biblical Counseling and his Doctorate in Theology. In addition, Brandon holds a state license as a Licensed Clinical Addictions Counselor. During this time, Brandon also gained over 20 years experience in sales, retail, and management. With big vision, in 2014, Brandon founded The Lighthouse by offering transitional living for men who struggle with life-altering addictions. Over the years, God has helped direct the vision and expand the services of The Lighthouse in a number of ways. In aligning with the Matthew 25 passage of Scripture, The Lighthouse seeks to not only serve men but their families and the community as well by providing food through their Food Bank, community meals, clothing vouchers through their Family Thrift Stores, support groups, counseling at their Community Center, and much more. Each of these ministries has the same goal and purpose: to see God's healing power and salvation rise up in the hearts of those Brandon and The Lighthouse serve through the love of Jesus Christ.
